Dark Muddy Green Leather Wing Chair in the Georgian Style, English Circa 1890.

List: \$7,500

Dark muddy green leather wing chair in the Georgian style with classic rolled arms and loose seat cushion [1. The loose seat is likely a later addition makes this a very comfortable sitting chair.], brass nailhead trim, oak frame

English circa 1890. [2. "The English wing chair, in which we sit protected and alone and enclosed, facing the warmth of the fire, embraced by wings as if those of a soft sheltering angel ... the wing chair's heaviness and solidity stipulate a different form of life, one of security, of solidity, of immobility, of peace."
